

Mountain Christian Church

Joppa, Maryland

Project Type: Addition
Size: 59,710 sf
Completion: 2003
Cost: \$6,800,000
Owner: Mountain Christian Church
Contact: Mr. Bob Ruffenacht, Church Administrator
(410) 877-1824

LSC Design, Inc. worked closely with the Building Committee of Mountain Christian Church to program and design this addition, more than doubling the size of this existing church. The congregation had the following three primary programmatic needs:

- an Auditorium to seat 2,000 people
- a Welcome Area / Lobby
- Classrooms and Activity spaces

In-house designers created numerous interior and exterior 3D models to help the congregation to visualize their project, as well as to launch their capital campaign.
